

## Farm & Ranch eXtension in Safety and Health (FReSH)

### Ag Safety & Health Monthly eNews

#### Wash Your Hands—Handwashing Poster

Agritourism and fair season are in full swing. UMASH and the MN Department of Health created a brochure and poster that can be downloaded and distributed. Locate the resources at <http://umash.umn.edu/agritourism/>

#### ATV Safety

ATVs are used in numerous ways on farms and ranches for work and recreation. Even though they can be extremely useful on the farm, serious injuries can also occur when they are not used correctly. Visit UMASH's Farm Safety Check: ATV at <http://umash.umn.edu/farm-safety-check-atv/> to learn more about ATV safety and download their safety checklist.
