#### Mental Health First Aid

Mental Health First Aid is an 8-hour course that teaches you how to help someone who is developing a mental health problem or experiencing a mental health crisis. The training helps you identify, understand, and respond to signs of mental illnesses and substance use disorders. Visit their website (<https://www.mentalhealthfirstaid.org/>) to locate a course near you.

#### SAY National Clearinghouse

Ag safety and health curriculum or resources that align with AFNR standards can be promoted through the SAY National Clearinghouse. Contact [Linda Fetzer](#) or visit the [SAY Project](#) homepage.
