

Farm & Ranch eXtension in Safety and Health (FReSH)

Ag Safety & Health Monthly News

Safety Videos from National Farmers Union

Recently, National Farmers Union released 10 short ag safety videos. The videos are concise and relatively short with an average run time of 4 minutes. Video topics include general safety, PTO, rollover protection, ATVs, grain bins and augers, livestock, transporting equipment, handling chemicals, electrical safety, and behavioral hazards & child safety. To access the videos, visit their website: <http://nfu.org/farmsafety>.

eXtension's Unmanned Aircraft Systems in Ag

Are you interested in staying updated on unmanned aircraft systems in agriculture, visit eXtension's Unmanned Aircraft Systems in Agriculture Learning Network at <http://www.learnuasag.org/>. Victor Villegas "DroneSinger" from Oregon State University Extension is the co-leader. You can also follow him on Twitter at <https://twitter.com/DroneSinger> and on Facebook at <https://www.facebook.com/DroneSinger-969255683119389/>.
