Ag Safety & Health Community of Practice—eXtension

### Child Agricultural Injury Prevention Workshop

Registration is open for the child injury prevention workshop, Aug. 14-15 in Marshfield, WI. The Child Agricultural Injury Prevention Workshop is all about working together to safeguard youth. Don't miss this great workshop! Click [HERE](#) for more information and to register for the event.

### Belief Statements and Guiding Principles for Youth Working in Agriculture

The Safety in Agriculture for Youth Project National Steering Committee developed a belief statements document regarding youth working in agriculture. The belief statements outline consensus-based beliefs and principles that promote safety and health for youth working in agriculture. Click [HERE](#) to view the document. If your organization/university is interested in endorsing the belief statement, please email [Aaron Yoder](#).

### ATV Safety

ATVs are used in various ways on farms and ranches for work and recreation. Even though they can be extremely useful on the farm, serious injuries can also occur when they are not used correctly. Visit the following sites for more info:
