

Farm & Ranch eXtension in Safety and Health (FReSH)

Ag Safety & Health Monthly News

SAY National Clearinghouse Redesign

The SAY National Clearinghouse has a new look. Agriculture, Food, & Natural Resources (AFNR) updated their Career Cluster Content Standards in 2015 so the new Clearinghouse shows how curricula and other supporting resources align to the updated AFNR standards related to agricultural safety and health. Visit the Clearinghouse at extension.org/say. You can 'Search by Topic' or click on an AFNR standard to see all of the educational products which align to that standards.
