

## Farm & Ranch eXtension in Safety and Health (FReSH)

### Ag Safety & Health Monthly News

#### Ag Safety and Health Certificate Course

Registration is now open for the Ag Safety and Health Certificate course which will be held after the ISASH conference on June 30—July 1, 2016 at the Hilton Downtown in Lexington, KY. Space is limited to 30 participants so register today at <http://isash.org/>. The purpose of the course is to establish a core level of knowledge in the agricultural safety and health profession and is a combination of in-class and online modules. Cost is \$400.00. In order to receive a 'Certificate by Examination' certificate, participants must pass the on-line exam.

#### Hand Signals on eBooks

Aaron Yoder, University of Nebraska Medical Center, has created an iBook on agricultural hand signals that will be available through iTunes U. If you are interested in being an evaluator to review the iBook, contact Aaron at [aaron.yoder@unmc.edu](mailto:aaron.yoder@unmc.edu).
