#### Worker Protection Standard Poster

Do you work with growers that need updated Worker Protection Standard posters? The Pennsylvania Office of Rural Health has develop WPS posters compliant with the revision requirements and they are willing to share, free of charge, the printer-ready files. There are 2 sizes and two versions (multi-cultural and Anabaptist). Posters are required for central location and decontamination stations. If you are interested in the poster file, please contact [Linda Fetzer](#).

#### AgriSafe Network

AgriSafe is an international organization of health & safety professionals who strive to reduce health disparities found among the ag community. Our mission is to support a growing network of trained ag health & safety professionals to assure access to preventative services for farm families & the ag community. Visit them at [www.agrisafe.org](http://www.agrisafe.org) to learn more.
