Rural Health and Safety Related to COVID-19

June is National Dairy Month

June is National Dairy Month. Dairy farmers have been faced with several issues over the past few months related to COVID-19 and changes in the industry. Here are a few resources to share with dairy producers.

[COVID 19 Farm Resources](#)—
Center for Dairy Excellence

[HealthyFarms HealthyAgriculture](#)

[CDC Guidance for Agricultural Workers and Employers](#)

[Coronavirus Resources from the National Milk Producers Federation](#)

[Dairy Safety Consulting Services from the National Farm Medicine Center](#)

Upcoming Opportunities

As we continue to navigate online educational strategies and trainings, there are some great professional development opportunities.

ISASH 2020 Virtual Conference—July 8—9, 2020—Includes the business meeting, awards, international panel on COVID-19, and so much more. Registration opens on July 2nd—<https://isash.org/>.

Agricultural Health and Safety Course for Medical and Safety Professionals—July 14—17, 2020—This course examine key health and safety issues specific to rural and agricultural workers. There is no cost for this training. Registration deadline is July 7th—[CS-CASH Ag Health and Safety Course Information and Registration](#).

SAY National Clearinghouse

Ag safety and health curriculum or resources that align with AFNR standards can be located through the SAY National Clearinghouse. Contact [Linda Fetzer](#) or visit the [SAY Project](#) homepage.

Thank you to the CHS Foundation for their support of eXtension.
