## **Nationwide Grain Bin Safety Week February 21-27, 2021**

Nationwide coordinates the 'Nominate Your Fire Department Contest' for the opportunity to receive a grain rescue tube and training. For more information about the program, visit their website at <https://www.nationwide.com/grain-bin-safety-week.jsp>.

## **Ask Extension**

This is a reminder that on Monday, February 1st, our Ask an Expert system that has been in place since about 2006 will no longer accept questions from the public. Instead, anyone going to <https://ask.extension.org> will encounter a message to that effect, and see a message suggesting that they go to <https://ask2.extension.org>.

## **Electrical Safety Month**

Preparation and awareness are key for farm electrical safety. Below are resources to use to promote electrical safety:
