Gearing Up for Safety

With support from USDA, Purdue University has completed a significant revision of the Gearing Up for Safety Curriculum – (Production Agricultural Safety Training for Youth). The core contents have been aligned with state and federal educational standards and meet the core educational requirements of the Hazardous Occupations Order for Agriculture under the Fair Labor Standards Act (FLSA). To access the curriculum, visit their website: <https://www.asec.purdue.edu/tractor/index.html>. Bookmark this website as new content will continue to be developed and posted.
