SAY Project Spotlight

Upcoming In-Person Events

The SAY Project is excited to be back in-person at the [National FFA Convention](#) on October 27—29, 2021 at the Indiana Convention Center, Indianapolis. The highly interactive SAY area is in Booth #2519 near the College Connection area. Example activities include PPE game show, grain safety/grain pull, infectious disease and PPE, mobile phone quiz for young workers rights, ag safety jeopardy, side-by-side safety, and virtual reality tractor course. There will be activities and give-away items for student and instructors.

The SAY Project will also have activities and information for 4-H educators at the [National Association of Extension 4-H Youth Development Professionals](#) on November 16—18 in Memphis. Stop by to learn more about the SAY Project!

New Materials Added to the SAY Clearinghouse:

The SAY National Clearinghouse was developed to provide ag safety and health curriculum and resources to 4-H and secondary Ag Educators. [Navigating the SAY Clearinghouse](#) provides a glance at all of the curricula and resources in the Clearinghouse and their alignment. The following curriculums were recently added to the SAY National Clearinghouse:

[Tailgate Training Series](#) is a curriculum by the Ohio State University - Aligns with AS.02, ESS.01, ESS/05, PS.03, and PST.02.

Resources in the Clearinghouse are identified within the following two categories:

Formal Curriculum refers to material that: 1) has learning goals or objectives that are clearly stated; 2) includes subject matter content supportive of the learning goals or objectives; and 3) has an evaluation component (e.g., some type of student assessment, such as a quiz).

Other Supporting Resource refers to individualized, originally authored resources, such as technical fact sheet series, video clips, PowerPoint presentations, or other materials that lack one or more of the 3 elements of a Formal Curriculum.
