SAY National Clearinghouse

Click [here](#) for more information about the SAY Project.

Youth Educators! Search for safety-related curricula by topic here.

Search safety-related curricula:

Title	Type	Aligns with the following AFNR Standard(s)	Keywords
A Guide to Teaching Safety Tractor Operation	Supporting Resource	CS.03 PST.02	tractor certification tractor equipment
Agricultural Confined Spaces: Young and Beginning Worker Materials+	Curriculum	CS.03	confined spaces grain storage grain handling facilities grain safety
Agricultural Tailgate Training Series	Curriculum	AS.02, ESS.01, ESS.05, PS.03 PST.02	small farm employee training tailgate training safety training

Clearinghouse Resources are identified within the following two categories:

Formal Curriculum has:
1) clearly stated learning goals or objectives; 2) content supporting the learning goals or objectives; and 3) an evaluation component.

Other Supporting Resource refers to individualized, originally authored resources, such as technical fact sheet series, video clips, PowerPoint series, or other materials that lack one or more of the 3 elements of a Formal Curriculum.

We have also added over 10 new resources to the Clearinghouse. Check out all of the great materials for your youth safety events.

Top 3 Ways the Clearinghouse Can Enhance Your Ag Safety and Health Initiatives:

- 1) Follow us on Facebook (AgSafety4u) and X (@AgSafety4u) and share our posts with your fans and followers.
- 2) Utilize the Clearinghouse to support your social media, blog, or newsletter articles. Are you writing about a specific topic, age-group, injury type, season, tool or piece of equipment? See what the Clearinghouse has to offer on your selected topic and link to it.
- 3) Distribute SAY promotional materials at events where you interact with ag educators. Materials include general handouts, annual ag safety and health planners, and sometimes some fun give-away items. Contact Linda Fetzer at lmf8@psu.edu to request materials.

Visit the SAY Project website at <https://ag-safety.extension.org/SAY> to access the Clearinghouse.

Questions, comments or to be removed from list. Email Linda Fetzer at lmf8@psu.edu.

These materials are based upon work supported by the National Institute of Food and Agriculture (NIFA), United States Department of Agriculture, under special project number 2021-41521-35104.
